11th October 2019

Dear Parent/Guardian,

Psychology Trip to Natural History and Science Museums

On Thursday 28th November we will be taking the Lower Sixth A level and IB Psychology students to the Natural History and Science Museums in London. The trip is specifically focused on visiting exhibitions that relate to the topics that are covered in the specification. As such it provides an engaging way of revising some of the topics in preparation for the May exams as well as broadening their knowledge of the subject and introducing some of the topics for the Upper Sixth year.

Itinerary:

We will **leave school by coach at 8.30am** and arrive for the Natural History Museum's opening. We will spend most of our time in the Human Biology Section but students will have the opportunity to explore other curriculum areas as they wish. Further information can be found at:

<http://www.nhm.ac.uk/visit/galleries-and-museum-map/human-biology.html>

A packed lunch will be provided, but students can bring money and any other refreshments if they wish.

We will then walk the short distance to the Science Museum to visit the 'Who am I Gallery' and again the students will have the opportunity to explore other curriculum areas, see:

<http://www.sciencemuseum.org.uk/WhoAmI.aspx>

We should **return to school for about 4.30pm** depending on traffic.

The cost of this trip will be £19 per student, to cover transport costs.

I hope that all students will be able to take up this opportunity. Please complete the electronic reply to confirm your son/daughter's attendance.

Should you have any questions regarding the trip, please do not hesitate to contact me by email at clairegulliver@leightonpark.com

Yours sincerely

Claire Gulliver
Psychology Teacher

Eddie Falshaw
Deputy Head

Please complete the electronic reply slip by Friday 8th November 2019

Psychology Trip to Natural History and Science Museums
