

Enjoy two days of art and help the Thames Valley Air Ambulance

The Rotary Club of Reading Maiden Erlegh is organising the 2019 Reading Charity Art Fair and all Rotarians in the Thames Valley are cordially invited to attend.

You are sure to find something artistic to fall in love with at the Reading Charity Art Fair. This year it will take place on 26th and 27th October at Oakview, Leighton Park School, Reading, RG2 7DG. We will have over 200 works of art from local artists and ceramicists, beautifully displayed in the light and airy Oakview exhibition hall.

Most of the paintings and ceramics can be purchased, with prices between £25 and £1000. Card payments can be accepted. On Friday 25th October we are holding a special preview party at which you can talk with the artists and get first choice of any artworks that you want to purchase. Tickets cost £10 including a glass of wine and canapés and can be obtained by sending an email to readingcharityartfair@gmail.com. Most of the funds raised by the Art Fair will go to the Thames Valley Air Ambulance with the remainder to local causes and charities.

Entry to the fair on Saturday and Sunday is free of charge and as well as admiring and perhaps buying the art on display you can enjoy refreshments and cakes in the Art Café run by the Inner Wheel Club members.
