

24<sup>th</sup> January 2020

Dear Parent/Guardian,

**Life Drawing Hosted by Leighton Park**  
**Tuesday 6.30pm – 8.30pm**

In addition to the Art Department's enrichment programme, Leighton Park's resident artist Ella Shepard is planning to run a four-session life drawing course, with a visiting life model.

It is hoped that these sessions will benefit students in Years 11 to 13 not only in terms of improving their drawing and looking skills, but also by building their artistic portfolio, giving them a wider selection of relevant work to demonstrate their range and ability. This is particularly valuable for their coursework or should students wish to apply for creative higher education courses in the future. As it is aimed at students studying creative subjects, all the sessions will be closed to other students and carefully supervised by the Art Department staff. Any student who expresses interest in taking part, who doesn't already study an Arts subject, will be required to contact Ella.

These sessions will incur a cost of **£5 per person per session** to cover the cost of the model. The proposed sessions will take place on Tuesday evenings from 6.30pm - 8.30pm for four weeks starting on 4<sup>th</sup> February. We expect that those students attending commit to all four sessions and the cost will be added to the school bill.

**The dates the sessions will take place on are:**

- 4<sup>th</sup> February
- 11<sup>th</sup> February
- 25<sup>th</sup> February
- 3<sup>rd</sup> March

Please complete the electronic reply slip by Monday 3<sup>rd</sup> February 2020 if you would like your son/daughter to take part in the sessions.

If you have any questions about this, please do not hesitate to contact Ella by email [ellashepard@leightonpark.com](mailto:ellashepard@leightonpark.com)

Kind regards,

Mark Wood  
Head of Art

Eddie Falshaw  
Deputy Head
