Dear Parent/Guardian

Y11 Mock Results and Resit Saturday

As you may be aware, results of the recent mock examinations are now being shared with students by their classroom teachers. The results will also be published on the parent portal on Wednesday 29th January 2020. This will give you an opportunity to discuss mock results with your son or daughter before the Parents' Consultation Evening on Friday 31st January 2020. A hard copy of the results will also be available for collection at the Parents' Consultation Evening.

Students who would benefit from another attempt at a mock paper(s) will be invited to attend a 'Resit Saturday' on Feb 29th 2020. Although attendance at the resit day is not compulsory, I would ask you to encourage your son or daughter to take advantage of this opportunity for additional examination support and preparation.

A formal timetable of academic clinics will start after half term. These will run after school and on Saturday mornings. These clinics will be in addition to the support already offered by classroom teachers.

Thank you for your continued support and please do get in touch if you have any questions in the run up to the final exams.

With best wishes

Bev Eldridge
Head of Year 10 and Year 11

Karen Gracie-Langrick
Deputy Head, Academic Studies
