

LEIGHTON PARK
FOUNDED 1890

No Smoking Policy

Leighton Park is a no smoking campus.

- Smoking is the most preventable cause of premature death.
- Passive smoking is also known to be dangerous to health.
- Everyone has the right to breathe clean air.
- The School has a major role to play in promoting non-smoking.
- Students need to receive consistent messages and require non-smoking role models within the school.

All members of the School community are expected to abide by this policy. Help on quitting smoking is available from the Health Centre. Similarly, all visitors are asked to respect it.

Visitors

Are not permitted to smoke anywhere on campus.

Staff

Staff who are found smoking or vaping on School premises will be subject to the School's disciplinary proceedings.

Students

Students are given information about the dangers of smoking to health and the environment as part of their PHSCE ("Your Life") programme.

Students are not allowed to smoke or have cigarettes, e-cigarettes, vaping devices or **any** related items associated with smoking and/or vaping.

Students who are found in the company of others inside or outside school grounds in any location who are smoking, or who have smoking related items in their possession, will be dealt with in accordance with the School's Policies: 'Policy on Smoking Alcohol and the Misuse of Drugs and Substances' and 'Behaviour and Discipline Policy'

Any student may request such help and support as they may need to comply with this policy.
