

**LEIGHTON PARK**  
FOUNDED 1890

Thursday 23<sup>rd</sup> April

Thank you for your ongoing support of our partner organisations and local charities during lockdown when they are experiencing real difficulties in getting items to their clients.

No. 4 The Crescent has been the drop off point for our LP Donate campaign and on Tuesday we dropped hygiene products to LaunchPad Reading as well as collected a fantastic stash of #NHSWash bags for Frimley Health! Thank you so much for your efforts in sewing these up for the safe handling of scrubs for our frontline workers.

### **#NHSWashbags**

As the fight against Covid 19 continues in our hospitals, care homes and other healthcare settings, at LP we are committed to doing all we can to ease pressure on our NHS and frontline services.

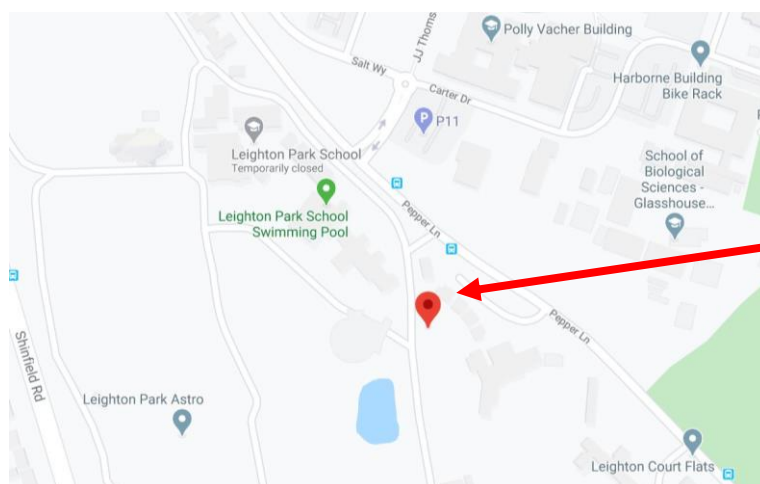

As a result, we want to continue to encourage sewers (novices included!) to make up wash bags for scrubs to be safely handled. A big shout out to our amazing students who made these in recent days and have already dropped theirs off to No.4. We are so proud of you - you really are demonstrating what it means to be a Leightonian. A round of applause too goes to Mair, our teacher of Maths and crafty textiler who made 21 gloriously colourful bags in a couple of days!

Here is a tutorial to help get you started:

<https://www.youtube.com/watch?v=17zjie-TN1A>

Please remember to wash yours at 60\* and place them in a bag with the date of drop off on it so we can safely hand these over to Frimley Health.

Finally - thank you LP, you are amazing.
