Leighton Park School Dress Code

The spirit of the School Dress Code, known as Collect Dress, is a unique feature of Leighton Park School. Our approach to the clothing worn during the School day is designed to instil all our students with a sense of responsibility, enabling them to be at one and the same time an individual whilst playing their part in a collective community effort to positively represent the School.

It is acknowledged that this unique approach is open to interpretation, and all students are asked to respect the view of the School. If requested to change an item of their clothing, they can expect to be presented with a reason, but should then respect this and change accordingly. Those who do not can expect to be treated through the behaviour, rewards and sanctions process.

The School community should appreciate that not every aspect of dress can be included in the School Dress Code, and as such, any omission should not be viewed as meaning it is acceptable to wear. The following points represent clear guidance as to the expectations of the School. The Deputy Head will have the final say on all Collect Dress matters and any decision taken by this post holder should be respected and followed.

Our overarching approach can be summarised simply:

- Students must be smartly presented
- Clothes and shoes are always expected to be clean and in good repair
- Clothes that would be considered appropriate in a modern business or office environment are welcomed
- Hair is to be clean and well-groomed off the face, without extremes of fashion or unnatural colour
- Beards and moustaches are not allowed at any time
- Good personal hygiene is expected.

We have three distinct codes of dress at Leighton Park:

1. Collect Dress is to be worn throughout the School day, 07:30 - 16:30

Please see guidance below by Year Group. Students should wear Collect Dress correctly and not untuck shirts or undo ties at any time. Students are either in Collect Dress or in own clothes.

2. Casual Dress may be worn in leisure or prep time after 16:30

All students must wear clothes that are in good condition and are appropriate to the activity. At no time are torn or heavily patched clothing, combat jackets or military clothing or footwear, extremes of fashion, offensive or provocative designs allowed. Students should not wear clothes of a revealing nature, e.g. short shorts, crop tops or mini-skirts.

3. Summer Collect Dress (permission to be announced by the Head)

Permission for this to be announced by the Head: Jackets and ties should be removed and shirt or blouse sleeves rolled up. Shirts (except fitted blouses for girls) must be tucked in. Jumpers may not be worn as part of Summer Collect Dress.

Sixth Form Dress Code

You may be asked to change your clothes if your clothing is considered unsuitable for business wear for any reason.

The Sixth Form Dress Code applies during the normal School day (07:30 – 16:30), after which students may change into their own clothes/ School games kit. Students should therefore either be following the Sixth Form Dress Code correctly, as below, or be in their own clothes.

The aim of the Sixth Form Dress Code is to ensure the senior student body looks smart, as judged by parents, visitors and staff alike, and that they can express themselves without becoming distracted or financially tested by fashion.

The following principles apply to Sixth Form Dress Code:

- The Sixth Form Dress Code should allow more choice of colour, style, and a more mature approach to modern business-like wear
- All Sixth Formers must wear clothing that is decent, smart and safe and which avoids extremes of style and fashion
- Hair is to be clean, well-groomed, off the face and not of an unnatural colour
- The emphasis is on clothing which is suitable for most modern office environments
- Clothes should not carry large brand names or slogans, or logos that may cause offence and hooded clothes are not suitable
- Visible body piercings, other than in the ears, and tattoos are not permitted
- The manner of wearing clothes is as important as the clothes themselves. Therefore, trousers and shirts must be properly fitting, without underwear or midriffs showing
- Headphones should not be worn at any point in the School day with Sixth Form Dress Code, but may be worn with own clothes/ games kit after School if appropriate
- Coats may be worn during the day but not inside any buildings. Coats should not be taken into Oakview dining area.

The following specific guidelines are given for our Sixth Form students. All members of the Sixth Form are asked to respect the wishes of the School and if they are asked not wear a specific item of clothing then they should not do so. Any discussions about dress will involve the student and a clear explanation will be given on a case by case basis. The following should provide the guidance required:

- Must wear a **jacket** (formal) during the School day, except when in Summer Collect Dress.
- Smart **trousers** (no jeans, denim or other casual styles. Clean, pressed chinos are acceptable). Trousers can be cigarette style, straight leg, but no leggings or jeggings, denim or stretch denim. Colours and patterns are welcomed.
- **Skirts** must be suitable, business length to sit just above the knee and cover 3/4 of the measurement from hip to knee at least. Avoid Lycra based skirts unless they are guaranteed to stay the right length
- **Tights/ Socks** - Dress socks should be worn, but can be any colour/ and or pattern. Sports socks should not be worn with formal dress during the day. Tights may have a discreet pattern, with a spare pair kept in School in case of rips or ladders
- **Shirts/ blouses/ tops** must cover midriff, cleavage and shoulders, with no more than one button undone. If a formal shirt with a collar is worn with a tie, the top button should be done up, no more than one button undone if worn without a tie. Shirts/ blouses should not be see-through in style, where underwear can clearly be seen. Denim shirts should not be worn. Bra straps should not be visible, and shoulders must be covered as far as possible, although some styles of dress will be acceptable
- If wearing a formal **shirt**, ties must be worn for formal occasions, e.g. Meeting for Worship, tours with parents, and all other formal occasions when representing the School, with the top button done up
- A **business-like dress** (with jacket) is an acceptable alternative to wearing other combinations but must comply with guidelines on decency and business-like clothing given above
- **Jumpers** should be smart, woollen and can be any colour – sweatshirts should not be worn. Turtle neck jumpers are acceptable when worn with a jacket
- Tee-shirts, sweatshirts, halter-neck tops and other casual tops are not suitable
- Students are expected to be **clean-shaven** of facial hair
- **Modest jewellery**; simple gold or silver studs, no more than two piercings in each ear. Spacer style earrings should not be worn. Students with more than two piercings will be asked to remove the additional earrings, even if they have been recently purchased. Jewellery may have to be removed if it is thought to pose a health and safety risk. (e.g. when playing sports/ in the lab/ workshop)
- Discreet **make-up** may be worn. Coloured nail varnish is acceptable; one colour should be worn, not multi colours
- **Shoes** must be smart (clean and well-presented), no trainers, canvas shoes of any kind, plimsolls, stiletto heels, flip-flops or sandals. Shoes should be low heeled and plain suede/leather style, no high boots should be worn. Dr Marten boots are not to be worn.

PE/Games Kit

As the School is represented at a number of town, county and regional venues, we feel a practical, long-lasting and good quality up-to-date look is appropriate. Full details of the kit required are listed in the pages that follow. Students should always wear School kit for all sporting activities.

Schoolblazer Ltd are the supplier of all sports clothing. Items should be clearly named. Students will be expected to wear the Schoolblazer Ltd kit items for all PE lessons, games lessons and

School fixtures. If students are awaiting the arrival of new kit, then they should wear appropriate attire and parents should communicate with PE staff to make necessary arrangements.

To order via Schoolblazer Ltd, please visit www.schoolblazer.com. Simply go to the website, create a log in and follow the instructions to purchase kit. The website has an “intelligent sizing system” to guide parents in size selection to help ensure that garments fit first time. On registration you will be required to input your son or daughter’s sizes and the system will make a suggestion on size.

Uniform is delivered via Parcelforce, either to the home or for pick-up at School. Urgent garments, which do not require name-tagging can be shipped in 48 hours. Please ensure that all orders are placed by 16th July to allow time for returns.

Returns to Schoolblazer are free of charge via the Post Office.

As part of our commitment to providing the onsite convenience of a shop, we will continue to hold “trying-on” samples in School of all items. If you have any questions regarding sports kit, please contact Jez Belas: jeremybelas@leightonpark.com.

Due to global supply chain issues, there may be a delay in the supply of some new sportswear items. We are working closely with Schoolblazer on this, so please bear with us. If any items are not available by the start of term then the School will provide students with the old versions at no additional cost. Students will be expected to have the new designs when they become available. Any remaining stock of old uniform items will then be donated to our charity partners.

All items can be ordered via www.schoolblazer.com.

Mouthguards

All students will be required to purchase a mouthguard to be used for hockey and rugby games lessons. We strongly recommend that all students obtain a professionally fitted, custom-made mouthguard in order to protect their teeth, lips, tongue and face during games lessons and fixtures. This follows advice from the British Dental Association, the Rugby Football Union and England Hockey.

With this in mind, we will be using an opt-out policy to ensure that all the students have mouthguards. Therefore, unless we hear from you to the contrary, your child will be fitted for a mouthguard and the cost charged automatically to your end of term bill. If you would like to opt-out, please indicate accordingly in the admissions forms.

The School uses a company called IMPACT to supply students with mouthguards. There is no putty used during the fitting process. Instead, they have developed a new, state of the art, 3D scanning process, all done in approximately 2-3 minutes by fully trained technicians.

Scan files are sent to their laboratory, where each personalised IMPACT Gumshield is created by 3D printer, a completely new concept for creating gumshields, before being posted within approximately 7-10 working days.
