I am really excited to share with you our new Summer Term co-curricular booklet which focuses on outdoor learning and making the most of the Park. Even though you will need to participate in bubbles, may I take this opportunity to encourage you to opt for a range of diverse clubs and activities which have been designed to support experiential learning and character development.

Fryer will be able to book House sessions after school as well join Bridget's exciting new club, Game of Cards. Year 9 are working towards a studio performance of scenes from 'Curious Incident of the Dog in the Night Time' as well as being given the opportunity to work in the DT workshop as part of their STEAM enrichment. Year 10 can avail of our new mountain biking club with Isaac or participate in cricket or rounders outside. Year 11 Ethical Enterprise scholars are working as part of a Social Enterprise group and a new Year 11 GSA group will be available on Monday lunchtimes with Nicola. Sixth Form can try croquet on the Head's Lawn with Myles, cook with Sally and Shabs or soak up some culture in Caroline's French Book Club.

There is so much to enjoy - have a great term!

As per last term, all activities are now colour coded helping you identify which clubs count towards which element of the Duke of Edinburgh Award. Year 9 students enrolled in Bronze DofE are invited to join my Monday after school club, although this will be beneficial to your progress, it is not compulsory. I am looking forward to helping you make friends through the award and building your confidence, resilience and self-esteem. Everybody at DofE is looking forward to having a more "normal" term. We continue to follow guidance relating to expeditions and off-site visits and will keep you updated on progress in this area. Over the course of the Summer Term we will continue to focus on the Skills, Volunteering and Physical elements of the Award to a high standard so you can feel confident in your ability to achieve this qualification.

Best wishes
