

Staff Code of Conduct

Leighton Park School values and respects all members of the community. Colleagues are expected to work in cooperation and collaboration, within the Quaker ethos of mutual trust, honesty and confidence. All employees and volunteers must be committed to promoting the safety, welfare and interests of children.

Purpose and application

- 1 **Purpose:** Relationships with fellow staff, employees, governors, contractors, visitors, volunteers, students and their parents or guardians should be reasonable and mutually respectful at all times. This Code has been formulated in order to maintain this balance.

The School understands the need for a whole school child-centred approach to safeguarding: all systems, processes and policies are designed and operate with the best interests of our students at their heart.

This Code has regard to the School's Safeguarding and Child Protection Policy and the following (collectively referred to in this Code as the **Guidance**):

- 1.1 *Keeping Children Safe in Education (2021) (KCSIE)* which refers to the non-statutory advice for practitioners: What to do if you're worried a child is being abused (March 2015));
- 1.2 *Relationship and Sex Education: [Statutory guidance relating to Sex and Relationship Education \(effective 1 September 2020\)](#)*
- 1.3 *Disqualification under the Childcare Act 2006* (August 2018);
- 1.4 *Working Together to safeguard children* (July 2018) (**WT**):
 - 1.4.1 WT refers to the non-statutory advice: *Information sharing* (March 2015)
- 1.5 *Prevent Duty Guidance: for England and Wales (2015) (Prevent)*. Prevent is supplemented by non-statutory advice and a briefing note:
 - 1.5.1 *The Prevent Duty: Departmental advice for schools and childminders* (July 2017);
 - 1.5.2 *The use of social media for online radicalisation* (July 2015).
- 1.6 Guidance on female genital mutilation, to include:
 - 1.6.1 *Multi-agency statutory guidance on female genital mutilation* (October 2018)
 - 1.6.2 Home Office statutory guidance *Mandatory Reporting of Female Genital Mutilation: procedural information* (October 2015).

1.6.3 Guidance published by the Department for Health which provides useful information and support for health professionals which will be taken into account by the School's medical staff.

1.7 *Teachers' Standards* (2012)

1.7.1 Part 1 and Part 2 of the standards apply equally.

1.8 *National Minimum Standards for Boarding* (2015)

Therefore, the purpose of the Code is to:

1.9 confirm and reinforce the professional responsibilities of all Staff

1.10 clarify the legal position in relation to sensitive aspects of Staff/ student relationships and communication including the use of social media

1.11 set out the expectations of standards and behaviour to be maintained within the School and

1.12 to help adults establish safe practices and reduce the risk of false accusations or improper conduct

2 **Application:** The Code of Conduct (**Code**) applies to all Staff working in Leighton Park School, whether paid or unpaid, whatever their position, role or responsibilities and "Staff" includes employees, governors, contractors, students and volunteers.

3 **Your duty:** It is the contractual duty of every member of Staff to observe the rules and obligations in this Code. The School also has a duty of care to its Staff, parents, guardians or carers, and students and the implementation of the practices in this Code will help to discharge that duty.

4 **Wrongdoing:** All staff are required to report their own wrongdoing, or any wrongdoing or proposed wrongdoing of any other member of staff to the Head. The School operates a Whistleblowing Policy which should be followed where there is perceived wrongdoing.

5 **Application with other parties:** The Code should be read in conjunction with the School's Safeguarding and Child Protection Policy Whistleblowing Policy.

Safeguarding Students

6 **All staff** have a duty to safeguard students from:

- Physical abuse
- Sexual abuse including sexual harassment and sexual violence
- Emotional Abuse
- Neglect
- Extremism
- All forms of peer-on-peer abuse, bullying, and harassment noting that we have zero tolerance for such misconduct

7 **Good practice in relation to safeguarding includes:**

- treating all students with respect
- setting a good example by behaving appropriately
- involving students in decisions that affect them
- encouraging positive, respectful and safe behaviour among students

- being a good listener
- being alert to changes in students' behaviour and to signs of abuse, neglect, exploitation and extremism
- recognising that challenging behaviour may be an indicator of abuse
- reading and understanding the School's Safeguarding/child protection policy and guidance documents on wider safeguarding issues, for example bullying, behaviour, relationship and sex education, physical contact including the use of reasonable restraint, sexual exploitation, extremism, e-safety and information-sharing
- maintaining appropriate standards of conversation and interaction with and between students and avoiding the use of sexualised or derogatory language
- being aware that the personal and family circumstances and lifestyles of some students lead to an increased risk of abuse
- applying the use of reasonable force only as a last resort and in compliance with school and Local Safeguarding Partners procedures
- referring all concerns about a student's safety and welfare to the DSL, or, if necessary, directly to police or children's social care as well as using school systems (eg MyConcern, DayBook etc) to promptly log issues
- following the school's rules regarding relationships with students and communication with students, including on social media. Communication with students should only be via school email addresses or via Google Classroom and other Google Apps where appropriate

Guiding principles

8 *Principles for all Staff*

- 8.1 All Staff should put the wellbeing, development and progress of all students first by:
- 8.1.1 taking all reasonable steps to ensure the safety and wellbeing of students under their supervision;
 - 8.1.2 using professional expertise and judgment for the best interests of **all** students in their care (boarding and day);
 - 8.1.3 demonstrating self-awareness and taking responsibility for their own actions and for providing help and support to students;
 - 8.1.4 raising concerns about the practices of teachers or other professionals where these may have a negative impact on students' learning or progress, or may put students at risk;
 - 8.1.5 being familiar with the School's Safeguarding and Child Protection Policy;
 - 8.1.6 knowing the role, identity and contact details of the current Safeguarding Lead and their deputies;
 - 8.1.7 being aware that they are in a position of trust (i.e. the adult is in a position of power or influence over the student due to his or her work); that the relationship is not a relationship between equals and that this position must never be used to intimidate, bully, humiliate, coerce or threaten students.

- 8.2 All Staff should demonstrate respect for diversity and take steps to promote equality by:
- 8.2.1 acting appropriately and in accordance with this Code of Conduct and the Safer Recruitment Consortium's *Guidance for Safer working practice for those working with young people in education settings, May 2019*, towards all students, parents, guardians or carers and colleagues;
 - 8.2.2 complying with the School's Equality and Anti-Bullying policies and this Code of Conduct;
 - 8.2.3 addressing issues of discrimination and bullying whenever they arise;
 - 8.2.4 helping to create a fair and inclusive School environment.
- 8.3 All Staff should work as part of a unified Staff body by:
- 8.3.1 developing productive and supportive relationships with colleagues;

 - 8.3.6 upholding the School's reputation and standing within the local community, building trust and confidence in it and not bringing the School into disrepute in any way, including on all types of digital media;
 - 8.3.7 Advising the HR Manager should you be cautioned or convicted of any criminal offence. All disclosures will be managed respectfully and in line with appropriate guidance.
- 8.4 All Staff should understand that the School has a legal duty to have regard to the need to prevent people from being drawn into terrorism, and consequently should be aware of:
- 8.4.1 what extremism and radicalisation means and why people - including students and fellow staff members - may be vulnerable to being drawn into terrorism as a consequence of it;
 - 8.4.2 what measures are available to prevent people from becoming drawn into terrorism and how to challenge the extremist ideology that can be associated with it; and
 - 8.4.3 how to obtain support for people who may be being exploited by radicalising influences.
- 8.5 All staff must speak to the Designated Safeguarding Lead (or deputy) with regard to any concerns about female genital mutilation (FGM) and involve children's social care as appropriate. Teachers must report to the police cases where they discover that an act of female genital mutilation appears to have been carried out or is about to be carried out. It will be rare for teachers to see visual evidence, and they should not be examining students.

- 8.6 Staff should take responsibility for maintaining the quality of the educational services provided by the School by:
 - 8.6.1 meeting the professional standards and expectations of their role and position within the School (including the Teaching Standards for teachers);
 - 8.6.2 reflecting on their current practice and seeking out opportunities to develop knowledge, understanding and skills;
 - 8.6.3 helping students to become confident and successful learners; and
 - 8.6.4 establishing productive relationships with parents, guardians or carers by:
 - (a) providing accessible and accurate information about their child's progress;

 - 8.7.1 demonstrating honesty and integrity;
 - 8.7.2 understanding and demonstrating fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs;
 - 8.7.3 understanding and upholding their duty to safeguard the welfare of children and young people;
 - 8.7.4 maintaining good standards of behaviour whether inside or outside of normal School hours and whether on or off the School's site; and
 - 8.7.5 maintaining an effective learning environment.

Staff/ Student relationships

- 9 ***Leighton Park is a Quaker School*** and is founded on the conviction that there is 'that of God in everyone'. As staff in a Quaker school we should look for the good in everyone and try to build on that; we should be positive in our approach rather than negative; and we should aim to help each individual student to fulfil their potential in mind, body and spirit.
- 10 ***Application:*** Allegations of unprofessional conduct or improper contact or words can arise at any time. Professionalism and vigilance are required so as to ensure the safety of children in our care, and to reduce the risk of an allegation of impropriety against a member of Staff. This guidance applies to all adults working in this School, and not just teachers.
- 11 ***Sexual contact.*** Staff must not:
 - 11.1 have any type of sexual relationship with a student or students
 - 11.2 have sexually suggestive or provocative communications with a student
 - 11.3 make sexual remarks to or about a student
 - 11.4 discuss their own sexual relationships in the presence of students
 - 11.5 include references to sexual relationships or behaviour when using social media

- 12 ***Abuse of a position of trust and Inappropriate relationships with School students:*** Sexual relationships or sexual contact with any students, or encouraging a relationship to develop in a way which might lead to a sexual relationship or any relationship considered inappropriate with any student at the School is a grave breach of trust that will usually lead to disciplinary action and may also lead to criminal prosecution. It is a criminal offence of an abuse of a position of trust to have any sexual relationship with any School student under the age of 18. It is a breach of this Code and considered to be gross misconduct to have a sexual relationship with any student of this School, even if over the age of 18.
- 13 ***Inappropriate relationships with students at another school:*** Forming relationships with children or young people who are students or students at another school will be a criminal offence if they are under 16 but may also be a criminal offence if under the age of 18 and will be regarded as gross misconduct. Such behaviour tends to bring the School into disrepute and gives rise to concern that the Staff involved cannot be trusted to maintain professional boundaries with students and students at the School. Whilst not necessarily a criminal offence, the School considers it inappropriate for Staff to form inappropriate relationships with a student of any school, irrespective of their age.
- 14 ***General guidance:*** You should be aware of the general guidance that will apply in all cases. In particular you:
- 14.1 need to exercise professional judgement but always act within the spirit of these guidelines. If you are involved in a situation where no specific guidance exists, you should discuss the circumstances with the Designated Safeguarding Lead. A written record should be kept that includes justification for any action taken.
 - 14.2 must be aware of the risks of peer-on-peer abuse and be familiar with procedures for handling allegations against other children and bullying as set out in the School's child protection and safeguarding policy and procedures. Examples of peer-on-peer abuse are bullying (including cyberbullying), physical abuse, sexual violence and sexual harassment, upskirting, sexting and initiation and hazing;
 - 14.3 must be aware of indicators that children are at risk from or are involved with serious violent crime. These may include increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or a significant change in wellbeing or signs of assault or unexplained injuries. Unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs.
 - 14.4 some actions may be misconstrued by students as unprofessional conduct. Therefore, staff should all be alert to situations where they and other staff (including visiting staff and volunteers) are potentially vulnerable to false allegations of abuse.
 - 14.5 must be familiar with procedures for handling allegations against Staff
 - 14.6 must be aware of the School's Safeguarding and Child Protection Policy and Whistleblowing Policy
 - 14.7 must seek guidance from the Designated Safeguarding Lead if you are in any doubt about appropriate conduct

- 14.8 must report any actions which could be misinterpreted, any misunderstandings, accidents or threats involving you and a student or a group of students to the Designated Safeguarding Lead.
- 15 ***Behaviour giving particular cause for concern:*** You should take particular care when dealing with a student who:
- 15.1 appears to be emotionally distressed, or generally vulnerable and/or who is seeking expressions of affection
- 15.2 appears to hold a grudge against you
- 15.3 acts in a sexually provocative way, or who is inclined to make exaggerated claims about themselves and others, or to fantasise, or one whose manner with adults is over-familiar
- 15.4 may have reason to make up an allegation to cover the fact that he or she has not worked hard enough for public examinations
- 16 ***Procedure to be followed in these cases:*** Some of these behaviours may be indications that a child has been or is currently being abused and should therefore be reported to the Designated Safeguarding Lead under the School's Safeguarding and Child Protection Policy.
- 17 ***Record keeping:*** Comprehensive records are essential. Any incident involving children that could give cause for concern, whether contemplated in these guidelines or not, must be recorded, with justifications for any action taken. In addition, any incident should be reported promptly to the Designated Safeguarding Lead. At Leighton Park all concerns should be entered onto MyConcern as soon as possible and supporting documents attached. Original documents must always be kept.
- 18 ***Good order and discipline:*** Staff in charge or control of students must maintain good order and discipline at all times when students are present on School premises and whenever students are engaged in authorised school activities, whether on School premises or elsewhere.

Relationships with Colleagues

- 19 Leighton Park School is committed to being a fair and equitable employer, as set out in the School's Equalities Policy, which asserts its commitment to an employment culture in which people can feel confident of being treated with fairness, respect, dignity, politeness and tolerance, irrespective of their individual differences.
- 20 The School's Grievance Policy explains what employees should do if they have a grievance including if they feel they are being bullied harassed or victimised and how the school will deal with such issues.
- 21 The School will not tolerate harassment or bullying within the School community works hard to ensure everyone is treated reasonably and without fear of bullying, harassment or victimisation;

Definitions of Bullying and Harassment

- 22 Harassment is defined by the Equality Act 2010 as unwanted conduct related to a relevant protected characteristic, which has the purpose or effect of violating an individual's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for that individual. Protected characteristics include: sex, race or ethnicity, gender reassignment, sexual orientation, marital status, and religion. Bullying is an extreme form of harassment and will often involve

persistent, maybe deliberate, harm, intimidation or humiliation. Bullying is often, although not always, related to the misuse or abuse of power or position;

22.1 victimisation may occur when a person is treated less favourably than another person because they have made, or supported, a complaint of harassment, bullying or discrimination;

22.2 discrimination as defined in the Equality Act 2010

23 Bullying and harassment including sexual or racial means any unwanted behaviour that makes someone feel intimidated, degraded, humiliated or offended. It is not necessarily always obvious or apparent to others and may happen in the workplace without an employer's awareness.

24 Bullying or harassment including sexual or racial can be between two individuals or it may involve groups of people. It might be obvious, or it might be insidious. It may be persistent or an isolated incident. It can also occur in written communications, by phone or through email, not just face-to-face.

24.1 Where harassment, bullying or victimisation is experienced, witnessed or reported by a volunteer or third party, the School will discuss the matter with the alleged victim and follow the appropriate safeguarding procedure (for students) or grievance procedure (for staff).

24.2 The school will fulfil its obligations to protect their employees from inappropriate conduct and where it does occur, will offer and provide where needed, support to employees. Support may take the form of:

- Counselling
- A period of leave of absence
- Additional management support for a period
- Assignment of a mentor
- Training
- Mediation – informally in school or via an external source such as ACAS
- Referral to Occupational Health or the School's Employee Assistance Programme.

General conduct

25 ***School property:*** You must take proper care when using School property and you must not use School property for any unauthorised use or for private gain.

26 ***Use of premises:*** You must not carry out on School premises any work or activity other than pursuant to your terms and conditions of employment without the prior permission of the Head.

27 ***Behaviour of others:*** You should be aware that the behaviour of your partner or other family members or any member of your household may raise concerns. You must bring to the immediate attention of the School any concerns or behaviour which could affect the welfare of a member of the School community or bring the School into disrepute. Such concerns will be given careful consideration as to whether they constitute a potential risk to children at the School.

Meetings with students

- 28 ***One-to-one meetings:*** If you are conducting a one-to-one meeting or teaching session with a student (e.g. an individual instrumental lesson) , you should take particular care in the following ways:
- 28.1 when working alone with a student is an integral part of your role, conduct and agree full risk assessments with the Deputy Head/ Head
 - 28.2 use a room that has sufficient windows onto a corridor so the occupants can be seen, or keep the door open, or inform a colleague that the lesson/meeting is taking place
 - 28.3 arrange the meeting during normal school hours when there are plenty of other people about
 - 28.4 do not continue the meeting for any longer than is necessary to achieve its purposes
 - 28.5 avoid sitting or standing in close proximity to the student, except as necessary to check work
 - 28.6 avoid using "engaged" or equivalent signs on doors or windows
 - 28.7 avoid idle discussion
 - 28.8 avoid all unnecessary physical contact and apologise straight away if there is accidental physical contact
 - 28.9 avoid any conduct that could be taken as a sexual advance
 - 28.10 report any incident that causes you concern to the Designated Safeguarding Lead under the School's Safeguarding and Child Protection Policy and make a written record (signed and dated)
 - 28.11 report any situation where a student becomes distressed or angry to the Deputy Head/Head.
- 29 ***Pre-arranged meetings:*** pre-arranged meetings with students outside school should not be permitted unless approval is obtained from their parents, guardians or carers and the Deputy Head/ Head. If you are holding such a meeting, you should inform colleagues before the meeting.
- 30 ***In boarding spaces:*** all teachers should be aware of relationships within the boarding environment, which can be different from those in a day context. Teachers should:
- 30.1 be respectful of boarders' space and privacy
 - 30.2 knock before entering the bedroom, giving time for a student to respond before entering (unless there is a fear of risk or immediate danger to the student)
 - 30.3 not spend too much time in a student's room - any lengthy conversations or social time, playing board games etc. should be done in the duty room or the social spaces of the house. Always keep the door open when going into a single occupancy room and do the same if alone with a boarder in a multiple occupancy room
 - 30.4 be aware of times when boarders may be in a state of undress and afford them the privacy they deserve

- 30.5 announce yourself when entering changing rooms/ bathrooms and avoid remaining unless required. Be mindful, in a shower a student may not hear you enter
- 30.6 be especially careful of times when, as a boarding member of staff, you may be in a one to one position with a student
- 31 ***The use of personal living space:*** students should not be in or invited into the personal living space of any member of Staff, unless agreed with the parents, guardians and carers and the Deputy Head/ Head. Students should not be asked to assist with chores or tasks in the personal living space. Personal living spaces should not be used as an additional resource for the School.

Language and appearance

- 32 ***Language:*** You should use appropriate language at all times. You should:
 - 32.1 avoid words or expressions that have any unnecessary sexual content or innuendo; avoid displays of affection either personally or in writing (e.g. messages in birthday cards, text messages, emails etc)
 - 32.2 avoid any form of aggressive or threatening words
 - 32.3 avoid any words or actions that are over-familiar
 - 32.4 not swear, blaspheme or use any sort of offensive language in front of students
 - 32.5 avoid the use of sarcasm, discriminatory, or derogatory words when punishing or disciplining students and avoid making unprofessional personal comments about anyone. Any sanctions should be in accordance with the School's behaviour and discipline policies.
- 33 Be aware that some parts of the curriculum may raise sexually explicit subject matters. Care should be taken in subjects where rules/boundaries are relaxed (e.g. drama or art). Staff should have clear lesson plans and should take care to avoid overstepping personal and professional boundaries
- 34 ***Dress:*** You should dress appropriately and in a professional manner. Dress must not be offensive, distracting, revealing, or sexually provocative, embarrassing or discriminatory. Political or other contentious slogans or badges are not allowed.

The use of force or physical restraint

- 35 ***Physical restraint:*** All forms of corporal punishment are unlawful and the use of unwarranted physical force is likely to constitute a criminal offence. The use of physical intervention should be avoided if possible. However, by law, Staff who are authorised by the Head to have control or charge of students, may use such force or physical contact as is reasonable and proportionate in the circumstances to prevent a student from doing, or continuing to do any of the following:
 - 35.1 committing a criminal offence
 - 35.2 injuring themselves or others
 - 35.3 causing damage to property, including their own
 - 35.4 engaging in any behaviour prejudicial to good order and discipline at the School or among any of its students, whether that behaviour occurs in a classroom or elsewhere

- 36 ***Application of physical restraint policy:*** This applies when a teacher, or other authorised person, is on School premises and when he or she is in control or charge of the student elsewhere, for example on a field trip or other authorised out of school activity. It only applies where no other form of control is available and where it is necessary to intervene.
- 37 ***Before intervening:*** Before intervening physically you should, wherever practicable, tell the student to stop and what will happen if he or she does not. You should continue attempting to communicate with the student throughout the incident and should make it clear that physical contact or restraint will stop as soon as it ceases to be necessary. You should always avoid touching or holding a student in a way that might be considered indecent. You should also avoid any form of aggressive contact such as holding, pushing, pulling or hitting which could amount to a criminal assault, nor act in a way that might reasonably be expected to cause injury.
- 38 ***Inform senior staff:*** You should inform the Deputy Head/ Head immediately following an incident where force has been used. This is to help prevent any misunderstanding or misrepresentation of the incident, and it will be helpful in the event of a complaint. You should provide a written report as soon as possible afterwards. This should include written and signed accounts of those involved, including the student. The parents, guardians or carers of the student should be informed about serious incidents involving the use of force. The Head will advise when parents should be contacted.
- 39 ***Action taken in self-defence or in an emergency:*** The law allows anyone to defend themselves against an attack provided they do not use more force than is necessary. Similarly, where a student is at risk of immediate injury or on the point of inflicting injury on someone else, any member of Staff (whether authorised or not) would be entitled to intervene.
- 40 ***Using reasonable force:*** There is no legal definition of "reasonable force". It will always depend on the circumstances. Note that:
- 40.1 any use of force should be proportionate to the behaviour of the student involved and the seriousness of the harm prevented
 - 40.2 physical force could not be justified to prevent a student from committing a trivial misdemeanour
 - 40.3 any force should always be the minimum needed to achieve the desired result
 - 40.4 whether it is reasonable to use force and the degree of force that could be reasonably employed might also depend on the age, understanding and sex of the student

Physical contact in other circumstances

- 41 ***When physical contact may be appropriate:*** Physical contact with a student may be necessary and beneficial in order to demonstrate a required action, or a correct technique in, for example, singing and other music lessons or during PE, sports and games. Any physical contact should be in response to the student's needs, of limited duration and appropriate to the student's age, stage of development, gender, ethnicity and background. Physical contact can be easily misinterpreted and should be limited. Staff should use professional judgement.
- 42 ***Guidance on using physical contact:*** You should observe the following guidelines (where applicable):

- 42.1 explain the intended action to the student
 - 42.2 do not proceed with the action if the student appears to be apprehensive or reluctant, or if you have other concerns about the student's likely reaction
 - 42.3 ensure that the door is open and if you are in any doubt, ask a colleague or another student to be present during the demonstration
 - 42.4 consider alternatives if it appears likely that the student might misinterpret the contact
- 43 **Report concerns:** If you are at all concerned about any instance of physical contact, inform the Deputy Head/ Head without delay, and make a written record in the incident book and on the student's file if necessary.
- 44 **Offering comfort to distressed students:** Touching may be appropriate where a student is in distress and needs comforting. You should use your own professional judgement when you feel a student needs this kind of support and should be aware of any special circumstances relating to the student. For example, a child who has been abused may find physical contact particularly difficult. You should always notify the Deputy Head/ Head when comfort has been offered in an 'unusual' situation that is out of the ordinary, record the action and should seek guidance if unsure whether it would be appropriate in a particular case. Ultimately, teachers should avoid all but the most necessary contact with students.
- 45 **Administering first aid:** When administering first aid you should explain to the child what is happening and ensure that another adult is present or is aware of the action being taken. The treatment must meet the School's Health and Safety Manual and First Aid Policy, and parents, guardians or carers should be informed. Staff should:
- 45.1 adhere to the School's policy on administering first aid/medication
 - 45.2 comply with the necessary reporting requirements
 - 45.3 make other adults aware of the task that is being undertaken
 - 45.4 explain what is happening
 - 45.5 report and record the administration of first aid
 - 45.6 have regard to any health plans
 - 45.7 ensure that an appropriate health/risk assessment is undertaken prior to undertaking certain activities
- 46 **Students' entitlement to privacy:** Children are entitled to privacy when changing or showering. However there still must be an appropriate level of supervision to ensure safety. You should:
- 46.1 avoid physical contact or visually intrusive behaviour when children are undressed
 - 46.2 announce yourself when entering changing rooms/ bathrooms and avoid remaining unless required
 - 46.3 announce yourself when entering a boarding student's room
 - 46.4 not shower or change in the same place as children

46.5 not assist with any personal care task which a student can undertake themselves

47 **Where a child has been abused:** Where a child has previously been abused, Staff should be informed on a 'need to know' basis and should be extra cautious when considering the necessity of physical contact. Some children may seek inappropriate physical contact. Staff should sensitively deter the student and help them understand the importance of personal boundaries. Such incidents should be reported and discussed with the Deputy Head/ Head and parents, guardians or carers where appropriate. You should never view any part of the pupil's body normally covered by clothing.

48 **Children with special educational needs or disabilities:** Some children may need more physical contact to assist their everyday learning, which should be agreed and understood by all concerned, justified, openly applied and open to scrutiny. The Designated Safeguarding Lead and School SENCO will establish whether any reasonable adjustments are required for such students.

Code of conduct for contact outside school

49 **Contact outside school:** You should avoid unnecessary contact with students outside school. You should:

49.1 not give students your home address, home phone number, mobile phone number or email address

49.2 not send personal communications (such as birthday cards or faith cards, text messages etc) to children unless agreed with the Head

49.3 not make arrangements to meet students, individually or in groups, outside school other than on school trips authorised by the Head

49.4 not contact students at home unless this is strictly necessary, and you should keep a record of any such occasion

49.5 not give private tuition to current students of, or applicants to the School

49.6 not give a student a lift in your own vehicle other than on School business and with permission from the Head

49.7 do not invite students (groups or individuals) to your home unless there is a good reason, and it has been approved by the Head. This prohibition also applies if you have on site accommodation

49.8 report and record any situation which may place a child at risk or which may compromise the School's or your professional standing

49.9 ensure that students do not see anything in your home that may cause embarrassment or that might become the subject of inappropriate gossip or rumour

49.10 never engage in secretive social contact with students or their parents, guardians or carers

50 **Social contact:** You should be aware that where you meet children or parents, guardians or carers socially, such contact could be misinterpreted as inappropriate, abuse of a position of trust or grooming. Any social contact that could give rise to concern should be reported to the Deputy Head/ Head.

Where staff have access to confidential information about students or parents or carers, staff must not reveal such information except to those colleagues who

have a professional role in relation to the student. This includes informal discussions in social environments.

- 51 ***Friendships with parents, guardians or carers and students.*** Members of Staff who are friends with parents, guardians or carers of students or who, for example, are voluntary workers in youth organisations attended by students, will of course have contact with those students outside school. However, members of Staff should still respect the above advice wherever possible and should keep the Head informed of such relationships.
- 52 ***Friendships of staff children with students of the school:*** where staff children are friends with students of the school, there may be occasions when students come to a staff member's house. Staff should take care to ensure that other colleagues are aware of this and to liaise as appropriately with other parents. Where students are staying over, staff should adopt the approach as set out for boarding staff above. A senior colleague should be informed when this happens. If in doubt, seek advice from the Deputy Head about how best to proceed.
- 53 ***Scope of application of Code on contact outside school.*** The same guidelines should be applied to after school clubs, school trips, and especially trips that involve an overnight stay away from the School. There are separate, more detailed guidelines for school trips in the Educational Visits Policy. The principles of this guidance also apply to contact with children or young people who are students at another school.
- 54 ***Transporting students.*** There may be some situations when Staff are required to transport students. You should:
- 54.1 ensure that you are fit to drive and free from any substances that may impair your judgement or ability to drive
 - 54.2 be aware that until the student is passed over to a parent/carer, you have responsibility for that student's health and safety
 - 54.3 record the details of the journey
 - 54.4 contact the Deputy Head or DSL or a member of her team to obtain permission should this not already have been given
 - 54.5 record and be able to justify impromptu or emergency lifts and notify the Head
 - 54.6 ensure that there are proper arrangements in place to ensure vehicle, passenger and driver safety, including appropriate insurance, seat belts, adherence to maximum capacity guidelines etc
 - 54.7 wherever practicable, you should avoid using private vehicles and should try and have one adult additional to the driver to act as an escort
 - 54.8 Seek advice from the Deputy Head or EVC regarding these issues well before they are planned to take place
- 55 ***Educational visits:*** When taking part in educational visits, you should:
- 55.1 follow the School's policy on Educational Visits
 - 55.2 be accompanied by another adult unless otherwise agreed with the Deputy Head/ Head and/ or EVC
 - 55.3 always undertake a risk assessment

- 55.4 obtain parental consent
- 55.5 never share bedrooms unless in a dormitory situation and arrangements have been discussed and agreed previously with the Head and, where appropriate, parents, guardians or carers and students

56 ***Overnight supervision:*** Where overnight supervision is required, eg. to preserve the integrity of the examination process:

- 56.1 you should ensure that a risk assessment has been undertaken and that all members of the household have had the appropriate checks
- 56.2 arrangements should be made with and agreed by parents, guardians or carers and the student
- 56.3 one to one supervision should be avoided where possible
- 56.4 choice, flexibility and contact with "the outside world" should be incorporated, so far as it is consistent with appropriate supervision and the School's guidelines
- 56.5 whenever possible, independent oversight of the arrangements should be made and
- 56.6 any misinterpretation, misunderstanding or complaint should be reported

Communication with students (including the use of technology)

57 ***Communicating with children and parents, guardians or carers:*** All communication with children or parents, guardians or carers should conform to School policy and be limited to professional matters. Except in an emergency communication should only be made using School property.

58 ***Application:*** These rules apply to any form of communication including new technologies such as mobile phones, web-cameras, social net-working websites and blogs.

59 ***Dealing with "crushes":*** Crushes, fixations or infatuations are part of normal adolescent development. However, they need sensitive handling to avoid allegations of exploitation. Such "crushes" carry a high risk of words, actions and expressions being misinterpreted; therefore, the highest levels of professionalism are required. If you suspect that a student has a "crush" on you or on another colleague, you should bring it to the attention of the Head at the earliest opportunity. Suggestions that a student may have developed a "crush" should be recorded. Staff should avoid being alone with students who have developed a "crush" on them and if the student sends personal communications to the member of Staff, this should be reported to the Deputy Head/ Head and recorded.

60 ***Acceptable Use:*** Adults must establish safe and responsible online behaviours and must be familiar with the Social Media Policy. Adults should report to senior colleagues, any new and emerging technologies which may have a bearing on School practices and on the review of the Email and Internet use. Local and national guidelines on acceptable user policies should be followed as well as the School specific Acceptable User Policy. Staff should also:

- 60.1 ensure that your own personal social networking sites are set as private and ensure that students are not approved contacts.

- 60.2 never use or access social networking sites of students and do not use internet or web-based communication channels to send personal messages to students
 - 60.3 do not use your own equipment (e.g. mobile phones) to communicate with students - use equipment provided by the School and ensure that parents, guardians and carers have given permission
 - 60.4 only make contact with students for professional reasons
 - 60.5 recognise that text messaging/social media should only be used as part of an agreed protocol and only when other forms of communication are not possible
 - 60.6 avoid any discussions about the School or their students, parents or employees in online areas that may subsequently or inadvertently become available to others
 - 60.7 not contact Leighton Park students by means of personal social media sites unless they are over the age of 18 and left the school at least 1 year (12 months) ago
- 61 ***Personal details.*** Adults should not give their personal contact details to students, including email addresses, home or mobile telephone numbers, unless the need to do so is agreed with the Head and parents, guardians or carers.
- 62 ***Communicating outside the agreed protocols.*** Email or text communications between an adult and a student outside agreed protocols may lead to a report to external agencies in accordance with the School's Safeguarding and Child Protection Policy, disciplinary action and/or criminal investigations. This also includes communications through internet-based websites.

Code of conduct for photographs and videos

- 63 **Permission required:** You should only take photographs or video footage, of students in class, or at a school event or on a trip, for strictly educational purposes and in line with the School's Use of, Taking and Storing of Images Policy. You must not take images of children using personal mobile telephones or other photographic device; you should use equipment provided by the school for this purpose. Appropriate consents for taking and displaying photographs should be obtained from parents, guardians or carers where appropriate.
- 64 ***Guidance where permission obtained:*** Where permission has been obtained, the following should be considered:
- 64.1 the purpose of the activity should be clear as to what should happen to the photographs or videos. You must be able to justify images in your possession
 - 64.2 all images should be made available in order to determine acceptability
 - 64.3 images should not be made during one-to-one situations
 - 64.4 ensure that the student is appropriately dressed
 - 64.5 ensure that the student understands why the images are being taken and has agreed to the activity
 - 64.6 only use equipment provided or authorised by the School
 - 64.7 if an image is to be displayed in a place to which the public have access it should not display the student's name. Similarly, where a student is

named (in a school prospectus, for example) the name should not be accompanied by a photograph or video

64.8 all images of children should be stored securely and only accessed by those authorised to do so

64.9 images must not be taken secretly

65 ***Appropriate material:*** You must ensure children are not exposed to inappropriate or indecent images. Inappropriate material, such as pornography, should not be brought to work and you must not use School property or the School network to access such material. You should not allow unauthorised access to School equipment and should keep your computer passwords safe. If you discover material that is potentially illegal or inappropriate, you must isolate the equipment and contact the Designated Safeguarding Lead under the School's Safeguarding and Child Protection Policy immediately. Students must not be exposed to unsuitable material on the internet and Staff should ensure that any film or material shown is age appropriate.

Gifts and rewards

66 ***It is expected that:*** all staff will maintain a high standard of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

67 ***Anti-bribery and corruption policy:*** Before accepting or giving any gifts or rewards, Staff must familiarise themselves with the Anti-Bribery and Corruption Policy.

68 ***If a gift is received:*** If you receive a gift from a student or parent you should:

68.1 declare the gift where there is a possibility it could be misconstrued, or in any event where the gift is of a value of more than £100. The Bursar may in their absolute discretion require you to decline the gift

68.2 decline outright gifts that could be perceived as a bribe or that have created an expectation of preferential treatment. Although it is accepted for parents, guardians or carers or children to make small gifts to show appreciation, you must not receive gifts on a regular basis or receive anything of significant value

69 ***Giving gifts and rewards:*** Where you are thinking of giving a gift or reward:

69.1 it should only be provided as part of an agreed reward system

69.2 in all cases except the above, the gift or reward should be of little monetary value and should be discussed and agreed with the Head and where appropriate, the parent, guardian or carer

69.3 selection processes should be fair and where possible should be agreed by more than one member of Staff

69.4 gifts should be given openly and not based on favouritism

70 ***Allocation of gifts and rewards:*** Decisions regarding entitlement to benefits or privileges such as admission to school trips, activities or classroom tasks must avoid perceptions of bias, grooming or favouritism. The selection process must be based on transparent criteria.

71 ***Staff gifts and rewards;*** The use of departmental budgets for providing gifts to staff (e.g for leavers gifts) should not occur. These gifts are considered personal

and so should be funded through personal staff contributions. Gifts using School funds in extraordinary circumstances (e.g long service) should always be cleared with the Head prior to any purchases.

Consequences of breaching this policy

- 72 ***The School's position:*** It is a contractual requirement as well as in your interests to follow this Code so as to maintain appropriate standards of behaviour and your own professional reputation. A breach of this Code may be treated as misconduct and will render you liable to disciplinary action including in serious cases, dismissal.
- 73 ***Termination of employment:*** If the School ceases to use the services of a member of Staff because they are unsuitable to work with children, a settlement agreement (formerly known as a compromise agreement) will not be used and a referral to the Disclosure and Barring Service will be made as soon as possible if the criteria for referral are met. Any such incidents will be followed by a review of the safeguarding procedures within the School, with a report being presented to the Governors without delay.
- 74 ***Resignation:*** If a member of Staff tenders his or her resignation or ceases to provide his or her services to the School at a time when child protection concerns exist in relation to that person, those concerns will still be investigated in full by the School and a referral will be made to the Disclosure and Barring Service as soon as possible if the criteria for referral are met.
- 75 ***Teaching Regulation Agency (TRA) (previously known as the National College for Teaching and Leadership):*** Where a teacher has been dismissed, or would have been dismissed had they not resigned, because of unacceptable professional conduct, conduct that may bring the profession into disrepute, or a conviction for a relevant offence, separate consideration will be given as to whether a referral to the TRA should be made.
