Week Beginning: 30/09/24

Hello! Welcome to the first of many Fryer boarding newsletters: a round up of what our boarders have been getting up to. We've had another busy week in Fryer, with sports fixtures, weekend trips into town, music concerts and the famous introduction of the Xbox to name just a few.

On **Monday**, students experienced their first Boarders' Monthly Meeting, which is an opportunity to raise any questions or suggestions that they are related to boarding life.

Tuesday saw the return of our Taskmaster Challenge - see below our Taskmaster feature!

Wellness **Wednesday** was in full swing - this has been a great activity the past few weeks that enable students to try something new and focus on self-care.

Thursday was a quieter evening with boarders changing their beds and keeping rooms tidy

This **Friday**, a number of students have represented their house in the Polyglot competition. It was great to see so many students performing in different languages.

Additionally, our boarders have chosen to do their homework slot on Fridays instead of Sunday so they can get prep out the way and start the weekend after dinner!

Snacks of the week

Monday: Fruit kebabs & mini doughnut

Tuesday: Chocolate chip cookies

Wednesday: Mini pizzas

Thursday: Banana bread

TASKMASTER CHALLENGE

The games have begun. Every week we take part in mini challenges in which students compete to gain points. At the end of the term, the students with the most points will win a prize! So far we have completed 3 events:

1. Best self portrait drawing...using your foot
2. Fastest to get a chocolate biscuit from your forehead to mouth (without hands)
3. Find an object that looks most like yourself

Congratulations to our top 3 in this week's challenge:
